Townhouse, Marbella

Super location just a few meters along the boardwalk to the beach. Spacious townhouse located in a secure and gated urbanization only a minute walk from the beach. The ground level benefits from a bright living room with dining area, which leads into a terrace and a fully equipped kitchen. The garden is fenced and makes it a safe environment for small children. On the first floor are situated three bedrooms and the floor above has been converted into a studio with a terrace. Within the urbanization there is a swimming pool. San Pedro and Puerto Banús are conveniently located within walking distance. This property would make an ideal family home as well as a great rental investment.
